

B Major Blues Licks

Use over the I chord only

Use these licks over the I chord (B) only.

Only in a major blues.

Over the IV (E) and V (F#) chords, play your regular minor blues licks.

1

3 1 2 1 3 1 1 1 4 3 1 3 1 2 3

3

2 3 3 1 2 3 3 1 1 1 2 3

barre

How to read it

Curved arrow = bend. full = whole step, 1/4 = quarter bend

Numbers under the tab = fretting hand fingers

Small number = grace note, hammer it fast into the next

Short line coming up into a note = slide up into it

Bracket under two fingers = barre, one finger flat across both

Stacked numbers = play those strings together
