How to read it

Dot above a note = play it staccato (short and clipped)
 Curved arrow = bend. full = whole step, 1/4 = quarter bend
 Straight arrows above the tab = pick or strum direction
 Curved line joining two notes = hammer-on or pull-off

Bend arrow with an x on top = stop the bend with your pick
 Arrow coming back down = release the bend
 Numbers under the tab = fretting hand fingers
 Straight line between notes = slide
